Dear Paul,

Concerning your letter dated April 3, 1986, inquiring about the Darryl K. Hinton case, we can provide the following information:

The case against Darryl Hinton was dismissed due to lack of evidence. Sergeant Humphrey from the Sacramento County Sheriff's Department is convinced the homosexual act did take place; however, the victim's part was not totally involuntary.

I hope this answers your questions regarding this case.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Larry J. Leighton

Dear Dick:

We recently received information that one of your employees Daryl K. Hinton had been arrested. I am following up with this so that we can get more information concerning this, since I am certain we will want to place this individual on our confidential file and refuse registration at a later date should this be attempted.

I am enclosing a Confidential Record Sheet which I would like to have completed. Please give us as much information as you can so that we will be better able to indentify Mr. Hinton should he move to another section of the country.

After final legal proceedings we would like to know the outcome as this will strengthen our file.
